Ken,

I am deeply saddened that I am not trusted to run an internal investigation or manage my team, much less determine whether Jennifer is an appropriate GC and CCO to represent the interests of MCHC. I sent my August 16 email after endless work, sleepless nights and discussions with people inside and outside the group.

I will do my best to avoid a lawsuit. I will do my best to keep anyone from quitting. I have nothing else to say.

Donna
